### **Official Floor Rules**

FFG's official floor rules will be in effect

### **Painting**

Obviously, it is nice to play against a painted army, and painting your models to the best of your ability is encouraged. However, the winner of the tournament will be based upon their performance in their games and painting will be a separate competition. You can however win both!!

### **Terrain**

If you have a table of terrain and would like to share it with the community please let me know what you are able to bring and i'll set aside a table for you. I'll do my best to fill the tables with appropriately themed terrain. I can't vouch for its level of painting, but i'll try (Yes. I know what Yoda would say)

### **Spirit of the game**

This is intended as a fun event, respect for your opponents is expected at all times and play in a manner that you would like your opponent to play in. Any disputes on rule interpretation will be settled by the TO. Feel free to ask questions prior if that helps you design your list.

### **Prizes**

Prizes on the day will be a combination of store credit, 3d printed items and alternate art cards.

### **Lunch**

Archon Gamez is located in a rural setting and as such there is not a lot of food available in close proximity. About a 10 minute drive to get maccas or KFC. We sell pies and sausage rolls as well as drinks. But if you want to pack a lunch and bring it along it might be a wise idea. There is plenty of covered space to sit and eat both at lunch and between games.

### **Payment**

Payment can be made both in store or via paypal [admin@archongamez.com.au](mailto:admin@archongamez.com.au)

### **List Submission**

Lists can be submitted to Andrew Miller at [admin@archongamez.com.au](mailto:admin@archongamez.com.au) for approval on or before the 17th of November.

**May the Force be With You.**
